DRY PADDOCKS & SUNSETS

BY RACHEL DOLLER

Struck by the immense beauty and simplicity found in our regional landscapes, Doller embraces the drama of those dry, endless paddocks and the kaleidoscope of colour dancing across the sky at sunset. The works are warm and encapsulate the glorious light signalling the end of another day.

DRY PADDOCKS & SUNSETS #4
ACRYLIC, OIL PASTEL AND CUT PAPER ON PAPER
57 X 57CM INCL. FRAME, **SOLD**

Working on canvas and paper, Doller uses acrylic paint, oil pastel and cut paper. Her intuitive method of drawing, painting, cutting and collaging interprets the subject matter in an abstract way.

True to her bold visual language, these works are engaging and dynamic with a strong emphasis on shape, colour and texture whilst conveying the nostalgia and joy she associates with dry paddocks and sunsets.
